Vascular Surgery - Jacksonville

SUR E 4J | 4th Year Elective | Surgery | Clinical Science | Jacksonville

MDT 7600 | Vascular Surgery Jacksonville

Course Description

The fourth year elective is designed specifically for the student with a serious interest in a residency in vascular surgery. The level of responsibility will be the same as a 1st year resident. Students will be expected to take a more active role in the operating room as well as pre-operative and post-operative care of vascular patients under the direct supervision of the vascular surgery staff. Self-education is stressed; but students also attend major departmental conferences.
